

WHO WE ARE

Housing for Health Orange County, Inc (HHOC) is a nonprofit organization that was created to establish an operational oversight umbrella and collaborative forum among local housing providers. HHOC exists to provide centralized administrative and financial support to these providers, and to assist in co-designing best practices and standards of care to ensure quality outcomes for the clients served on behalf of CalOptima.

Partners Include:

- Jamboree Housing
- Friendship Shelter
- Mercy House

Serving Orange County's housing providers in their collective work to solve homelessness.
